The carnings for the eight months ending with August, 1869, show an increase over those of the corresponding pericd of 188 of \$235,819 56.

188 of \$235,819 56.

The Company now has an opportunity of purchasing other railroad lines that will almost entirely by local subscriptions the whole amount of its present bonded debt is but \$3,4 0,004.

The Company now has an opportunity of purchasing other railroad lines that will extend its business connections, besides adding largely to the value of its present property. To obtain the funds for these purchases, and to retire the present indebtedness of \$2,850,000 at maturity, the Company has executed a mortgage to James Punnett and Junius M. Alexander, of the city of New York, as trustees, con its entire lines of road, with all its roling stock, properly, frantine and location of the course of the property, frantine and location of the property of the bonds for sight million dollar. These bonds are for or of the stock of the

PACIFIC RAILWAY GOLD LOAN.

Mesers. DARNEY, MORGAN & CO., 51 Ezchange place, and M. K. JESUF & CO., 12 Pine street, New York, offer for sale the Bonis of the Kansas Pacific Railway. These bonds pay seven per cent. In gold; bave thirty years to run; are free from government taxation; are secured by a land grant of three million acres of the finest lands in Kansas and Colorado. In addition to this special grant the company also owns three millions of acres in Kansas, which are being rapidly sold to develop the country and improve the road. They are a first mortgage upon the extension of the road from Sheridan, Kansas, to Penver, Colorado. The road in operation sow earns more than chough net income to pay the interest on the new loan. There is no better security in the market—this being in some respects better than government securities. Principal and interest payable in tool. Frice 96, and accrued interest, maps and circulars furnished on application.

10-20 BONDS.

Twenty years to rue, with the option of paying them after for years, bearing to per cent (ile per cent) interest, the legal rate in M'ssouri, pay able on the 1st of July and January, at the Bank of America New York,

whe on the lat of July and January, at his hank of America, New York,

Principal payable in New York.

The entire debt of Buchanan county, field ing the bonds now offered for sale, is on y \$50,000, an it is secured by a deal on the county property and individual projectly, both real state and pot sonal, of the others realising the processing the bond of the latence for sale, while the taxible weath of the city of St. Joseph, which is the explain of Suchanacounty, amounts to \$12,430,00, making the combined wealth of the county and capital city \$35,00,000.
